

NBBKA Honey Show 2022

We are once again holding our annual honey show on Sunday 2nd October 2022. Kindly hosted at Buckingham Nurseries and Garden Centre, Tingewick Road, Buckingham. MK18 4EA. Our honoured guests: Buckingham Beekeepers, will also be with us on the day! It is a wonderful chance for everyone to see the amazing honey and products, your girls have produced during the spring and summer. There are 33 classes to enter, with everything from two matching jars of honey, mead and honey cake, for all those budding cooks! If you are feeling creative and don't have any bees, there is a category for a honey jar label and photography. For Children we have a craft section for drawings, photography and for a honey jar label, this really is a show for everyone!

Please don't think everyone will be better than you. One member of NBBKA was reluctant to put in his entry of a frame of liquid honey for extraction, he only did so as we were short of entries. Not only did he win at our show, and the County show, he also won first prize at the national honey show in late October!

Everyone is also welcome to come along, sell your own honey, or buy honey from other beekeepers, prices are £7 for a 1lb jar and £5.50 for a ½ lb jar. All jars for sale must be correctly labelled. (See BBKA rules for labelling)

Entry forms and details of classes are being sent out in the next couple of days, please mark up your entries and send them back to the email below, we can then quickly prepare the labels for you on the day. If you have any questions about the show or just need a little help with your honey show entry, just email us with your questions at: honeyshow@nbbka.org

Above all else, what makes the show so special, is the interest from budding beekeepers and members of the public, so please, put the date in your diary! The show will be open for everyone to look round, after the judges have finished their judging at about 1.30pm. However, we are there all day with leaflets and advice about all aspects of beekeeping and would love to talk to you about your ideas.

We are so looking forward to welcoming you at this year's event.

Rachael Wilson - Honey Show Secretary NBBKA
